

2026–27 Granting Cycle Timeline

Prior to the start of the grant cycle, applicants who received a conditional approval will be contacted to determine if their project is still viable and if the fundamentals of the project have changed.

Foundation receives grant requests (EPRC and FP Grants) from Covenant.

Strategic Priorities (SP) Committee reviews applications, hears presentations (if applicable) and makes a funding recommendation to the Foundation Board.

Idea Form submissions will be reviewed throughout November. If you have not received a response by November 16th, please be assured that your submission is still being processed. If you have not heard back by the end of November, please contact Aishwarya Jha at aishwarya.jha@covenanthealth.ca

Applications are reviewed and recommendations for funding are prepared for the Strategic Priorities Committee review.

Foundation Board reviews the SP Committee's recommendation and makes a final funding decision.
