YOU HELPED SPARK SOMETHING EXTRAORDINARY!

Together, raised over \$100,000 for Seniors' Month 2025!

Aging can be filled with challenges like loneliness, declining health, and the fear of being forgotten. That's why Seniors' Month is so important. It shines a light on the value of every senior, reminding them they are seen, cherished, and never alone.

Because of your generosity, Covenant sites across Alberta lit up with joy last June. From Elvis sightings to Gardens of Gratitude, celebrations bloomed across the province, bringing smiles, laughter, and connection to those who need it most.

And your impact goes far beyond a single month. Your donations will help fund leading-edge equipment like Centrella smart beds that enhance safety and comfort, specialized programs like music therapy that nurture emotional well-being, and innovative tools like the ABBY that help those living with dementia reconnect with their memories.

Thank you for standing with Alberta's seniors and helping them live with dignity, vibrancy, and love.

Seniors' Month was especially meaningful for Ivan Radostits, as he honoured the memory of his late wife, Mary Agnes, a former patient at St. Joseph's Auxiliary Hospital. In her honour, Ivan generously matched every gift made through our Seniors' Month direct mail campaign. We are deeply grateful for his kindness and the lasting impact it created.

THANK YOU!

Your support will fund specialized programs and leading-edge equipment for seniors across Covenant.
